DECISION AND DIRECTION OF ELECTION

Upon a petition duly filed under Section 9(c) of the National Labor Relations Act, as amended, a hearing was held before a Hearing Officer of the National Labor Relations Board.

Pursuant to the provisions of Section 3(b) of the Act, the Board has delegated its authority in this proceeding to the undersigned.

Upon the entire record¹ in this proceeding, the undersigned finds²:

SUMMARY

The Employer is engaged in the manufacturing and sale of glass products at its facility located at 1611 Southwest Commerce Avenue, Battleground, Washington. The Petitioner filed the instant petition seeking a unit of all the Employer's regular full-time and part-time production and maintenance employees and truck drivers.

Based on the parties' stipulation, I find that the following employees of the Employer constitute a unit appropriate for the purpose of collective bargaining within the meaning of Section 9(b) of the Act:

All full-time, regular part-time and temporary production and maintenance employees and truck drivers employed by the Employer at units facility located in Battleground, Washington, excluding all salespersons, office clerical employees,

¹ Briefs were waived.

² The Hearing Officer's rulings made at the hearing are free from prejudicial error and are hereby affirmed; the Employer is engaged in commerce within the meaning of the Act and it will effectuate the purposes of the Act to assert jurisdiction herein; the labor organization herein involved claims to represent certain employees of the Employer and; a question affecting commerce exists concerning the representation of certain employees of the Employer within the meaning of Section 9(c)(1) and Section 2(6) and (7) of the Act.

professional employees, guards and supervisors as defined in the Act, including lead persons.

There are approximately 60 employees in the unit.

At the hearing, the parties presented their respective positions regarding the appropriate times and day for an election. As such matters are not appropriate issues for litigation, I will not address those matters in this Decision and Direction of Election. I will, however, carefully consider the parties' contentions as expressed on this record when setting forth the election arrangements in the subsequent Notice of Election.

DIRECTION OF ELECTION

An election by secret ballot shall be conducted by the undersigned among the employees in the unit found appropriate at the time and place set forth in the notice of election to be issued subsequently, subject to the Board's Rules and Regulations. Eligible to vote are those in the unit who were employed during the payroll period ending immediately preceding the date of this Decision, including employees who did not work during that period because they were ill, on vacation, or temporarily laid off. Employees engaged in any economic strike, who have retained their status as strikers and who have not been permanently replaced, are also eligible to vote. In addition, in an economic strike, which commenced less than 12 months before the election date, employees engaged in such strike who have retained their status as strikers but who have been permanently replaced, as well as their replacements are eligible to vote. Those in the military services of the United States may vote if they appear in person at the polls. Ineligible to vote are employees who have quit or been discharged for cause since the designated payroll period, employees engaged in a strike who have been discharged for cause since the commencement thereof and who have not been rehired or reinstated before the election date, and employees engaged in an economic strike which commenced more than 12 months before the election date and who have been permanently replaced. Those eligible shall vote whether or not they desire to be represented for collective bargaining purposes by Teamsters Local Union No. 58, International Brotherhood of Teamsters.

1.) List of Voters

In order to assure that all eligible voters may have the opportunity to be informed of the issues in the exercise of their statutory right to vote, all parties to the election should have access to a list of voters and their addresses that may be used to communicate with them. *Excelsior Underwear*, 156 NLRB 1236 (1966); *NLRB v. Wyman-Gordon Co.*, 394 U.S. 759 (1969). Accordingly, it is hereby directed that an election eligibility list, containing the alphabetized full names and addresses of all the eligible voters, must be filed by the Employer with the Officer-in-Charge for Sub Region 36 within 7 days of the date of this Decision and Direction of Election. *North Macon Health Care Facility*, 315 NLRB 359, 361 (1994). The list must be of sufficiently large type to be clearly legible. The Region shall, in turn, make the list available to all parties to the election.

In order to be timely filed, such list must be received in the Sub Regional Office, 601 SW Second Ave., Suite 1910, Portland, OR 97204-3170, on or before August 8, 2003. No extension of time to file this list may be granted except in extraordinary circumstances, nor shall the filing of a request for review operate to stay the filing of such list. Failure to comply with this requirement shall be grounds for setting aside the

election whenever proper objections are filed. The list may be submitted by facsimile transmission to (503) 326-5387. Since the list is to be made available to all parties to the election, please furnish a total of 4 copies, unless the list is submitted by facsimile, in which case only one copy need be submitted.

2.) Notice Posting Obligations

According to Board Rules and Regulations, Section 103.20, Notices of Election must be posted in areas conspicuous to potential voters for a minimum of three working days prior to the date of election. Failure to follow the posting requirement may result in additional litigation should proper objections to the election be filed. Section 103.20(c) of the Board's Rules and Regulations requires an employer to notify the Board at least 5 full working days prior to 12:01 a.m. of the day of the election if it has not received copies of the election notice. *Club Demonstration Services*, 317 NLRB 349 (1995). Failure to do so estops employers from filing objections based on nonposting of the election notice.

3.) Right to Request Review

Under the provisions of Section 102.67 of the Board's Rules and Regulations, a request for review of this Decision may be filed with the National Labor Relations Board, addressed to the Executive Secretary, 1099 14th Street N.W., Washington, D.C. 20570. This request must be received by the Board in Washington by August 15, 2003 .

DATED at Seattle, Washington, this 1st day of August 2003.
